0001

The image displays a grid of 30 pages from a Japanese mathematics textbook, arranged in 10 rows and 3 columns. Each page contains mathematical problems and solutions, written in Japanese. The problems are numbered and often include diagrams or tables. The solutions are provided in a structured format, typically starting with '解' (Solution) and followed by the steps. The pages are numbered 1 through 30, with the last page in the bottom right corner being page 30. The text is in black ink on a light background, and the overall layout is clean and organized.
